

WHY CLIPPER CAMPS?

Campers receive high quality instruction from collegiate and professional level coaches and players, whose goal is to see each camper succeed in all areas of life. At camp, coaches and athletes will be offered comprehensive athletic, spiritual and leadership training and challenged to reach their potential. Each camper will participate in a Huddle where they will bond with their leader and a small group of campers their own age.

OUR MISSION

To develop and train young people to become battle ready leaders, on and off the ice
