

BACKGROUND

In October 2019, we invited our Bachelor of Arts (BA) alumni from the graduating classes of 2019, 2017, 2014, and 2009 to share their post-graduation experiences. The responses gathered are being used to provide insight and data to inform and improve what Briercrest College and Seminary offers to our students. We share these results as a practice of accountability to our Briercrest family and to our accrediting bodies. We are grateful for the engagement of our alumni and look forward to hearing back from more of you as we continue to send out our alumni survey each year.
