

**BRIERCREST COLLEGE AND  
SEMINARY**

***FINANCIAL STATEMENTS***

***June 30, 2017***

## Independent Auditor's Report

### TO THE BOARD OF BRIERCREST COLLEGE AND SEMINARY

We have audited the accompanying financial statements of Briercrest College and Seminary, which comprise the statement of financial position as at June 30, 2017, and the statement of operations and changes in fund balances and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

#### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements present fairly, in all material respects, the financial position of Briercrest College and Seminary as at June 30, 2017, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

# **BRIERCREST COLLEGE AND SEMINARY**

## **Notes to Financial Statements**

**Year Ended June 30, 2017**

### **1. PURPOSE OF THE ORGANIZATION**

Briercrest College and Seminary (the “Organization”) was incorporated under the laws of Saskatchewan and provides Bible based education enabling Christ-like integrity in life, thought and service. The Organization operates as the Briercrest College and Seminary including Caronport High School, together with various ancillary businesses. The Organization is incorporated under An Act to Incorporate Briercrest College and Seminary and operates as a not-for-profit organization and is a registered charity under the Income Tax Act.

### **2. SIGNIFICANT ACCOUNTING POLICIES**

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (“ASNPO”) and reflect the following significant accounting policies:

#### **Fund accounting**

The Organization follows the restricted fund method of accounting for contributions. The accounts of the Organization are maintained in accordance with the principles of fund accounting in order that limitations and restrictions placed on the use of available resources are observed. Under fund accounting, resources are classified for accounting and reporting purposes into funds with activities or objectives specified. For financial reporting purposes, the accounts have been classified into the following seven funds:

The **Operating Fund** records the operating revenue and expenditures of the Organization as well as the related assets and liabilities.

The **Capital Asset Fund** records capital assets, corresponding indebtedness, and the revenue and expenditures related to these assets and liabilities.

The **Endowment Fund** records endowed contributions to be held permanently for student and faculty scholarships, library resources and faculty chairs.

The **Educational Projects Fund** records donations received for the assistance and development of charitable and educational programs and investment income earned on endowed donations for student scholarships.

The **Mission Trust Fund** records donations received for mission projects as approved by the Organization.

The **Annuity Fund** records funds acquired by the Organization under the terms of life annuity bond agreements.

The **Capital Campaign Fund** records donations received for Future In Focus campaign projects as approved by the Organization.

# **BRIERCREST COLLEGE AND SEMINARY**

## **Notes to Financial Statements**

**Year Ended June 30, 2017**

### **2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### **Use of estimates**

The preparation of financial statements in conformity with ASNPO requires management to make estimates and use assumptions that effect reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Key components of the financial statements requiring management to make estimates include allowance for doubtful accounts and the useful lives of capital assets. Actual results could differ from those estimates.

#### **Revenue and expense recognition**

Restricted contributions related to general operations are recognized as revenue of the Operating Fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the Operating Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Endowment contributions are recognized as revenue in the Endowment Fund.

Government assistance towards current High School expenditures has been included in revenue of the Operating Fund.

Donations are recorded as revenue only when received; pledges are not recorded in the accounts.

Tuition and ancillary revenue are recorded when services are provided.

Investment income on Educational Projects Fund resources is recognized as revenue in the Educational Projects Fund when earned. Investment income on Annuity Fund resources is recognized as revenue in the Annuity Fund when earned. Investment income on Endowment Fund resources that is not endowed is recognized as revenue in the Educational Projects Fund when earned. Investment income on Capital Campaign Fund resources is recognized as revenue in the Capital Campaign Fund when earned. Other investment income is recognized as revenue of the Operating Fund when earned.

#### **Contributed materials**

Contributed materials of \$146,327 (\$15,124 - 2016) are recorded at their fair value.

# **BRIERCREST COLLEGE AND SEMINARY**

## **Notes to Financial Statements**

**Year Ended June 30, 2017**

### **2. SIGNIFICANT ACCOUNTING POLICIES (continued)**

#### **Financial instruments**

The Organization initially measures its financial assets and financial liabilities at fair value. It subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments, which the Organization has measured at fair market value.

Transaction costs related to financial instruments measured subsequent to initial recognition at fair value are expensed as incurred. Transaction cost related to other financial instruments are added to the carrying value of the asset or netted against the carrying value of the liability and are then recognized over the expected life of the instrument using the effective interest method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the effective interest method and recognized in net earnings as interest income or expense.

With respect to financial assets measured as cost or amortized cost, the Organization recognizes in net earnings an impairment loss, if any, when there are indicators of impairment and it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to net earnings in the period the reversal occurs.

#### **Cash and cash equivalent**

Cash and cash equivalent consist of cash and bank balances, including bank overdraft with a balance that fluctuate frequently from being positive to overdrawn.

#### **Inventory**

Inventory is valued at the lower of cost and net realizable value, determined on an average cost basis for the bookstore and on a first-in, first-out basis for the other inventory.

#### **Capital assets**

Capital assets are recorded at cost. When capital assets are sold or retired, the related cost and accumulated amortization are removed from the respective accounts and any gain or loss is recorded in the statement of operations and changes in fund balances. Expenditures for repairs and maintenance are expensed as incurred.

# BRIERCREST COLLEGE AND SEMINARY

## Notes to Financial Statements

Year Ended June 30, 2017

### 2. SIGNIFICANT ACCOUNTING POLICIES (continued)

#### Capital assets (continued)

Capital assets are amortized over their estimated useful lives using the straight-line method at the following rates:

Land improvements	10 years
Buildings	10 – 40 years
Electrical distribution system	25 years
Furniture and equipment	4, 5, 10 or 20 years
Library resources	4 or 20 years
Vehicles	5 years

Capital assets under construction are not amortized until they are placed in service.

#### Impairment of capital assets

When an item included in capital assets no longer has any long-term service potential to the Organization, the excess of its net carrying amount over any residual value is recognized as an expense in the statement of operations and changes in fund balances. Write-downs are not reversed.

#### Deferred charges

The Organization contributed toward the construction of a dike as a preventative measure against future flooding. This is being amortized straight-line over the estimated life of the dike (20 years).

#### Employee future benefits

The Organization has made contributions of \$103,283 (\$99,085 - 2016) to a defined contribution employee future benefit plan. These contributions are expensed as incurred.

## Notes to Financial Statements

Year Ended June 30, 2017

### 13. COMMITMENTS AND CONTINGENT OBLIGATIONS

The Organization has established a gift annuity plan as a form of public support and, in exchange for contributions held in trust, obligates itself to pay donors fixed annual returns for life at rates varying from 5% to 13% (life annuity bond agreements). At the time of an annuitant's death, the principal balance passes to the Organization and is recorded as a donation in the Annuity Fund.

During the year \$11,430 (\$12,430 - 2016) of annuity payments were made. No external actuarial estimate of the annuity liability has been made.

### 14. LEASE COMMITMENTS

The Organization is committed to payments under term lease agreements as follows:

	\$
2018	<b>40,002</b>
2019	<b>8,123</b>

### 15. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT

The Organization, through its financial assets and liabilities, has exposure to the following risks from its use of financial instruments. The following analysis provides a measurement of risk at June 30, 2017.

#### *Credit Risk*

The Organization's principal financial assets are cash, investments and accounts receivable which are subject to credit risk. The carrying amount of financial assets on the statement of financial position represents the Organization's maximum credit exposure at the statement of financial position date.

The Organization's credit risk is primarily attributable to trade and student receivables. The amounts disclosed in the statement of financial position are net of allowance for doubtful accounts, estimated by management based on previous experience and its assessment of the current economic environment. The Organization does not have significant exposure to any individual customer and has not incurred any significant bad debts during the year.

#### *Interest Rate Risk*

Briercrest is exposed to interest rate risk on its fixed and floating interest rate financial instruments. Fixed interest instruments subject Briercrest to fair value risk, while the floating rate instruments subject it to a cash flow risk. Briercrest is exposed to these risks as a result of investments in GIC and mutual funds as well as long term debt. Briercrest does not use derivative instruments to reduce exposure to risk.

## **Notes to Financial Statements**

**Year Ended June 30, 2017**

### **15. FINANCIAL INSTRUMENTS AND RISK MANAGEMENT (continued)**

#### *Other price risk*

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Briercrest is exposed to other price risk through its investments in mutual funds for which the value fluctuates with the quoted market price. This risk is mitigated by maintaining a mixed asset portfolio and pooled investments.

#### *Liquidity Risk*

The Organization's objective is to have sufficient liquidity to meet its liabilities when due. The Organization monitors its cash balance and cash flows generated from operations to meet its requirements. As at June 30, 2017, the most significant financial liabilities are: bank indebtedness, accounts payable and accrued charges, capital lease obligations and demand loans.
